MILO LIBRARY – PILOT FOR RISE PROJECT IN 2009

A Case of Considerable Interest

(http://ve.torontopubliclibrary.ca/case_of_considerable_interest/index.html)

This online exhibition celebrates the 35th anniversary of the Arthur Conan Doyle Collection of the Toronto Public Library. The exhibit consists of an interactive bookshelf with 3 sections: the works of Sir Arthur Conan Doyle, the Sherlock Holmes Phenomenon, and Sir Arthur Conan Doyle in Canada. The site highlights some of Doyle's published works and includes publication information, book jackets, and links to the Project Gutenberg site from which you can download some of Doyle's works in e-book format for free.

DID YOU KNOW?

You can adjust the view in Word 2003 and 2007 to minimize toolbars and other distracting elements on the screen as well as improve the legibility of text.

In Word 2003 use the Reading Layout option under the View menu.

In Word 2007 use the Full Screen Reading option available under the View tab.

Keyboard shortcuts can be used by those who have difficulty navigating with a mouse. You may even want to create laminated guides for your patrons to use. A variety of keyboard shortcut lists can easily be found on the web.

In Office 2003 there is a speech recognition tool which can be installed and trained to work more accurately. Information on using the speech recognition tool can be found at: <http://office.microsoft.com/en-us/help/HP030844541033.aspx>

You can also learn more about accessibility options for computer users by reading *The Accessibility Advocate Column* – an Office Online column written by a variety of experts in the field of accessibility. The column is available at: <http://office.microsoft.com/en-us/help/FX102530961033.aspx>
